Vintage Room

GENEVA

Unique pieces, carefully selected.

A B O U T

Curated from the source. Brought to Geneva.

We source and curate vintage furniture from across Europe. Scandinavian chairs, armchairs, sideboards, display cabinets and shelving units from the 1950s to the 1970s, alongside carefully selected Swiss, Italian, and French pieces. Each object is chosen for its form, its materials, and the integrity of its making. Every piece is unique. Nothing is acquired without a reason.

| *“Nothing superfluous. Only the essential.”*
